

HOT SHOT'S

SECRET

MORE POWER for your diesel engine or your MONEY BACK!

HIGH PERFORMANCE OIL ADDITIVE
CLEANS INJECTORS AND ENGINE
FROM THE INSIDE OUT

HOT SHOT'S SECRET IS SPECIFICALLY
FORMULATED FOR TODAY'S HIGH
PRESSURE DIESEL ENGINES AND
INJECTORS. HSS CLEANS GUMS
AND VARNISHES THAT SLOW DOWN
TURBOS AND INJECTORS.

- Improves Acceleration
- Increases Torque
- Improves Combustion
- Cleans Engine
- Reduces Friction
- Improves Fuel Mileage
- Reduces Wear
- Seals Rings
- Removes Deposits
- Neutralizes Acids
- Improves Viscosity
- 100% Additive - No Fillers

Modern diesel engines run at higher temperatures and pressures. Engine oils oxidize, leaving behind corrosive deposits and varnishes. This slows down the turbo and the injectors. Hot Shot's Secret cleans these deposits and gives you more power. **This bottle treats a standard 15 quart system.**
