HOT SHOT'S SECRET RV SLIDE OUT LUBRICANT **100% Synthetic Lubricating Spray**

Product Overview

Hot Shot's Secret RV Slide Out Lubricant adheres on surfaces and will not drip or run. Hot Shot's Secret RV Slide Out Lubricant sprays on thick and is an extreme duty lubricating spray that was formulated for lubricating slide outs for your RV, but you will find many uses in day to day traveling applications. Hot Shot's Secret RV Slide Out Lubricant is formulated with a superior synthetic base stock designed to lubricate and protect moving parts for your RV slide outs against friction, oxidation, corrosion and other types of distress and wear. It is safe to use on metal, rubber, vinyl and plastic.

Applications and Uses

Hot Shot's Secret RV Slide Out Lubricant is also an ideal choice for general or all-around use. Our lubricant provides characteristics of lubricating and rust protection. It provides a coating to help protect metal surfaces from moisture and corrosion. This spray-on grease produces a transparent rust preventive coating that is low profile yet very protective. A few uses include:

- RV Slide Outs
- Chains
- Hinges
- Nuts and Bolts
- Latches
- Moving parts
- Gears
- Locks
- Cables
- Bushings
- Slides
- Tracks
