CHAMBER DEPOSITS**

**LUBRICATES & CLEANS —
VALVES, PUMPS, INJECTORS, RINGS,
PISTONS, & UPPER CYLINDERS**

CONCENTRATED ONE TANK FUEL SYSTEM CLEANER

POWERFUL INJECTOR CLEANER

GASOLINE EXTREME is a fully-formulated, concentrated cleaner that removes combustion chamber and intake valve deposits, as well as cleans injectors, valves, pumps, rings and pistons.

GASOLINE EXTREME also lubricates key components in the fuel system, including upper cylinders, while restoring fuel economy, power and performance. This product is safe for all emissions equipment.

TREATMENT

On-road use: 16 oz per 45 gallons of gasoline.
Off-road use: 16 oz per 20 gallons of gasoline.
Use every 6,000 to 10,000 miles or as needed to keep fuel system clean.
